

Dear all,

We would like to clarify our expectation for setting and completing work for students who are studying at home.

We have asked staff to set work on a daily basis for the lessons that they would have taught that day. Students should log on to Go 4 Schools each day to see the work that they need to complete for their lessons that day. These tasks will be given a duration up until the next timetabled lesson in that subject unless otherwise stated.

We appreciate that on some days it may not be possible to complete the task set, due to illness or other circumstances. We will monitor this and contact you if we have concerns. In addition, if you have any concerns please do not hesitate to contact us via studentsupport@tgschool.net.

We thank you for your ongoing support during this difficult time.

Further guidance is available online at www.tgschool.net/eschool.

During this period merits will continue to be awarded by staff for outstanding work.

Kind regards.
