

Some of our Eco Committee members on a Wild Walk doing some litter picking.

Eco Committee meet every Thursday in Room 207,
come and join them and together 'Change the World'!

BIG WILD WALK

The Big Wild Walk is The Wildlife Trusts' annual fundraising challenge!

Set your own challenge to run, cycle, or walk, while fundraising to protect the wildlife you love. How far you go and where you take part is completely up to you, whether that's climbing the height of a mountain on your stairs, or swimming laps of your local pond. Find out more at www.wildlifetrusts.org/bigwildwalk

From the 16-30 of October the Eco Committee set a challenge to walk 200 km all together to raise money for the wildlife trusts - you can join us!

Join us by walking over the half term break. Email cryall@tgschool.net to confirm the distance walked (this could be from an app or smart watch) and include a photo from your "wild walk". We will record the total distance walked and award merits to students taking part, also a house competition!
