

BUSHCRAFT TRIP 2026

Friday, 08/05/2026
12:28

To Prime Parents of: 

 EMAIL

Dear families,

Thank you to those that were able to attend the parents' information evening for the Bushcraft trip. I am aware that some parents were unable to attend and have requested the information be shared with them. To make sure that everyone has all the information, it is being shared with all parents.

With just under 8 weeks until we head into the woods, we are going to be asking the students for some details about who they would like to share a tent with, who they would like to be in a tribe with and if there is anyone that they cannot be with. This will be sent to their school email address on Monday 11th May and needs to be completed by the end of the week.

If your son/daughter does not know their school email details or is having issues then they can come to 219 on Tuesday lunchtime, where I will be available to support any students that are having issues with the Google form or their email account.

When you originally signed your son/daughter up for the trip back in October / November you provided medical and Dietary requirements, we have to send this over to the Bushcraft coming at the end of the month, anything has changed since then, please can you email me at sbloyce@tgschool.net with the subject Bushcraft Medical.

Lastly as we said on the evening, the Bushcraft company operate on a no nuts policy, and there is no need to purchase expensive equipment for the trip.

If you have any questions, please get in contact.

Kind regards

Mr Bloyce
