

Dear Transition Families

We are looking forward to welcoming the students to TGS next week. We have recently introduced a new catering system and are now a cashless facility.

In order for Y6 students to purchase lunch, there will be an automatic top up of £2.80* per day to their account, which they can access via a pin number, which they will be given on their first day. We will then require families to settle the lunch balance, which will be a maximum of £8.40, in September, once the Arbor pay account is live.

If you do not wish your child to use the above-mentioned facility, please reply to this email to opt out and we will not issue a pin number. For those opting out, please provide a packed lunch.

We would like to remind you that all students should bring a breaktime snack.

*£2.80 per day will provide a main meal or can be used for light refreshments.

If you receive Free School Meals, the student's lunch account will automatically be credited £2.80 per day.

Please ensure that the Admissions Team is aware of any food allergies, so that this can be shared with our catering team.

Kind regards

Thomas Gainsborough School
