

VALENTINE'S CAKE SALE

Thank you to all those who baked and donated their wonderful cakes for the Valentine's cake sale on Monday. The offerings were very well received and as a result we raised a very healthy £53.90. Well done and thank you to all who contributed and purchased cakes. We hope you won the hearts of your loved ones!

FINANCIAL SUPPORT FOR 2022 UNI APPLICANTS

For those of you applying to university this year, there may be an opportunity for you to obtain further financial support. Please read the details on the email sent to you by Mrs King this afternoon and complete the attached application form. Good luck. Hopefully it can help one or more of you.

DEALING WITH EXAM STRESS

In case you missed it in assembly this week, here is a [link](#) to the governments' guide to dealing with the pressure of exams.

PATRICK BRAY – SIXTH FORM ALUMNI ASSEMBLY

This week we were lucky enough to speak via web link to our former sixth form student Patrick Bray. Patrick spoke to our students about his life and career path since leaving sixth form. You can read his biography on our [webpage](#). Keep your eyes peeled for a video transcript of the assembly in after half term.

TED TV OF THE WEEK

How to parent a teen from a teen's perspective - Lucy Androski A teen's opinion on parenting from stereotypes and experience. This talk teaches parents about technology, teen emotions, and types of parents, all from a teen's perspective. [Listen to Lucy here](#)

CAREERS NEWS

In-house Employer Workshops

Care Development East (Care Work) – 9th March

Find out what it is like to work in the care industry in our region and the variety of rewarding roles within it.

Royal Navy – 24th March

A live virtual presentation by Cpl Ian Lamb highlighting the variety of roles within the Royal Navy, what skills and attributes they are looking for and information about the application process

Morgan Sindall – Quantity Surveyor 6-8th April

Ex-student Brad McLaughlin will be talking about his work as a quantity surveyor and wider opportunities within the construction industry and construction.

Thames Water Barrier - Civil Engineering 10th June

Liv Hov runs team of engineers, project managers, specialists and contractors. We do complex inspection, Capital Maintenance and upgrade works at the Thames Barrier and other storm surge barriers along the Tidal Thames.

Careers Web Page – For a full list of companies that offer virtual work experience in several different sectors please see the “Careers” page of the school [website](#) and scroll down.

How to arrange work experience in Year 12:

- 1) Look at your Morrisby results and talk to family or friends for ideas. The more research you have carried out beforehand, into different options, the more valuable experience you will get.
- 2) Come to the careers hub and register your interest with Ms Perkins.
- 3) Paperwork needs to be collected and completed 4 weeks prior to the work experience taking place.
- 4) Please consider transport to and from the company you want to apply to.
- 5) Students are allowed up to 2 x 5 days during term time with up to two employers.
- 6) Please consider virtual work experience as well as face to face by signing up free of charge to Speakers for Schools virtual work experience and other online providers (see careers website for a list of other providers)
- 7) Ms Perkins needs to be made aware of any work experience (other than Saturday jobs) you arrange directly with employers in order for her to keep a record. Paperwork is still required for this.

Stone King Law Open Day

We are excited to announce our first virtual Open Day in February 2022, which will give students a real insight into the legal profession and the possible career pathways into law.

We hope the sessions will give participants an overview into Stone King and the legal profession, but also access to helpful and informative sessions such as CV and interview workshops. We have limited spaces available so if you are interested in attending, please contact our Talent Acquisition Team at recruitment@stoneking.co.uk.

PwC Work Opportunities

PwC have a range of opportunities for current students, including apprenticeships for those looking to start their career. We also have upskilling sessions for students wanting to develop their employability skills.

For students searching for an apprenticeship to start this autumn

We have a variety of programmes for school leavers to start their career in Consulting, Operate or Tax - [Explore](#)

Looking to find out more about accounting, business and technology?

Our Virtual Insight Week is opening for applications to Year 12 students soon, you can be the first to know by signing up to our Talent Network through the link below - [Find out more](#)

Learn more about a career at PwC

Students, parents and carers can hear from our people at our upcoming Virtual Classroom sessions. Browse through the available sessions to register for a time that suits you best.

Allen and Overy Legal Practice

We are excited to announce that in 2022, [Allen & Overy](#) are offering two schemes that provide year 12s facing socio economic barriers with high-quality insight and interaction with an international legal practice.

Smart Start 2022 is scheduled to take place at the Allen & Overy London Office from **18th - 22nd July**. All successful applicants are required to attend a mock assessment day at the Allen & Overy London office on **Wednesday 25th or Tuesday 31st May 2022**.

This year [Smart Applications](#), a separate virtual programme delivered across June and July, is available to ensure those who cannot or do not want to travel to London do not miss out on gaining real insight into the world of work.

National Careers Week Events

It's less than three weeks to go until National Careers Week (**7th-13th March 22**) when you can join us and a host of career advisers, coaches, universities and employers, to explore the world of work, and get practical advice on how to decide the right path for your future. We kick off the week with UCAS/Discovery online – a chance for you to talk to careers advisers, employers and unis from **10:00-18:00**. Our Live Lounge line-up means students can join workshops on how to get started, get practical advice to kick start your research, and work your way through an entire showcase of career opportunities. [Get your ticket](#)

Live in the UCAS Hub - We're continuing our support throughout the week every day live at 15:00 (UK time) in the UCAS Hub. With live Q&As, career discovery workshops, what employers are looking for and more.

BT Work Experience

BT with STEMPOINT East, are exclusively offering Year 12 students from schools in the East of England the opportunity to work alongside technology and communications experts at their site in Ipswich, through the Nuffield Research Placements Scheme

- **Projects include:** • Internet of Things • IT in communications • Internet TV • Next generation mobile technology
- **The Placement** • Two-week face to face placement • Takes place in summer 2022 • Travel expenses are paid • Students write a research report based on their work •
- **Eligibility criteria** – must be 16; have 5+GCSEs incl maths, eng +1 science; studying A levels
- **Further information:** Email: Sally Moore s.moore@stempointeast.org.uk
- **Web address:** <https://www.stem.org.uk/nuffield-research-placements>

National Healthcare Weekend - 19th and 20th March 2022

The important thing about attending the weekend Live is that you can speak to a variety of healthcare professionals via zoom. However, if you are unable to attend the LIVE event, you can opt to register for the NHW E-learning course which will be available throughout April for you to watch all the recorded talks.

All students will receive a certificate of attendance, which can be listed on your UCAS application. Students can register individually via this [link](#)

Students can register for 1 LIVE day for £25 or both days for £45. Alternatively, students can opt for the E-learning course which is £10.

InvestIn Parent Webinars

These are free-of-charge, live online seminars featuring career experts, designed to help parents amplify their children's career potential.

We have 5 fantastic seminars this term, including topics such as 'how to help your child choose their career' and 'how to inspire young women to become entrepreneurs.' These events are for parents of students aged 12-18 and are free to attend. [Click link here](#)

Google Apprenticeships Parents' Insight Webinar

Is your child interested in technology and in Year 12 or 13? Want to find out how they could kickstart their career at one of the biggest technology companies in the world? Join us on Wednesday **9th March at 6.30pm** to find out about how Google apprenticeships could get your child's career off to a flying start! [Register Here](#)

Local Work Experience Opportunities

Cooper Parry: www.s4snextgen.org/Opportunities/View/id/2625

To celebrate International Women's Day, we'd like to invite you to attend our evening session on 8th March to explore what it's really like for women in accountancy. There will be lots of space to ask questions and hear from women at all levels from Cooper Parry.

CMR Surgical: www.s4snextgen.org/Opportunities/View/id/2557

Have you ever thought about the engineering required to decorate a cupcake? What would it look like if you didn't follow the right steps in the right order? You might be thinking "How does this relate to the cool robot, Versius, that CMR have developed?"...well, would you believe us if we told you that you can learn the fundamental principles and mindsets of engineering and product design by thinking about how to instruct an engineer in decorating a cupcake?

Cooper Parry: www.s4snextgen.org/Opportunities/View/id/2624

Are you an analytical person who enjoys problem solving? Have you enjoyed Maths or Economics at school? Are you interested in careers in the financial services? If so, we'd love for you to join us as we break down the stereotype that accountancy is boring!

If you are looking for opportunities on specific dates, please get in contact. For further opportunities please go to our regional [Padlet board](#) or our [Work Experience Portal](#).

The Big Assembly

This is an annual broadcast that provides apprenticeship advice to schools, parents, students and employers. Last year's broadcast was watched live and on demand by over 60,000 people. The assembly features a panel made up of employers, current apprentices, former apprentices, and a representative from the Disabled Apprentice Network. To watch the recording sign up here: <https://www.workpays.co.uk/bigassembly/>

STEM – Nuffield Research Placements

The NRP programme provides engaging, hands-on research projects, where Year 12 students can make a meaningful contribution towards the work of a host organisation through a well-supervised but independent research collaboration relating to an area of science, quantitative social science, computing, technology, engineering or maths.

Students can apply via the button below but please make sure you've checked the eligibility requirements on our main website [here](#) . The scheme costs the pupils nothing. Last year, there were more placements offered by employers than students who came forward. Pupils have a good chance if they apply. **The closing date for applications is the 14th of March.**

Speakers for Schools Virtual Work Experience Programme

Speakers for Schools has thousands of opportunities available to discover which apprenticeship might be right for them. A few examples of the amazing employers and opportunities on offer:

- [United Utilities – How to kick start your career with a United Utilities Apprenticeship](#)
- [Willmott Dixon – Future Leaders and Careers in the Construction Sector:](#)
- [British Army-Do you play an instrument and are passionate about all things musical? Then this insight session is for you](#)
- [British Army-Have you ever wondered what it takes to become a part of the Army Medical Services? Then this insight session is for you](#)
- [Amey- Can you design and build a sustainable railway?](#)
- [Morgan Sindall Group National Apprenticeship Week Series - University vs Apprenticeships: Question Time](#)

Please sign up to [speakers for schools virtual work experience](#) free of charge to apply for any of the above opportunities.

EY Business Degrees and Apprenticeships Programmes

On **Tuesday 22nd February**, join EY for Our world. Your future. to find out all about EY apprenticeships. You'll gain valuable insight into EY's degree and business apprenticeship programmes and leave with a wealth of knowledge about our business, culture and people. Alongside the student recruitment team, we'll be joined by current and former apprentices to answer your questions in our panel discussion. This event is ideal for students in years 12-13 and their parents. This is a virtual event at **5:30-6:30 PM** on Microsoft Teams.

[Find out more](#) about EY apprenticeships and [Register here](#).

Success Beyond School

These are free-of-charge, live online seminars featuring career experts, designed to help parents amplify their children's career potential.

We have 5 fantastic seminars this term, including topics such as 'how to help your child choose their career' and 'how to inspire young women to become entrepreneurs.' These events are for parents of students aged 12-18 and are free to attend. [Click link here](#)

IBM Apprenticeships

At IBM, work is more than a job - it's a calling: To build. To design. To code. To consult. To think along with clients and sell. To make markets. To invent. To collaborate. Not just to do something better, but to attempt things you've never thought possible.

Our IBM School Leaver Schemes will enable you to gain the experience, skills and contacts you need to start building a bright future. The choice of scheme is yours. We have Level 4 Apprenticeships, Degree Apprenticeships and 12 Month Gap Year Intern roles. You do not need to have any prior work experience; instead, we're looking for enthusiastic, driven and innovative individuals, with a passion for business and technology. [Apply Now!](#)

Yr12 students interested in STEM subjects

Insight into University residential courses run over 4 or 5 days where students get a taster of university life and an insight into a specific STEM subject. In summer 2022 these will include

- Ø Maths at Lancaster University
- Ø Materials Science at University of Cambridge
- Ø Mechanical Engineering at UCL
- Ø Robotics & Autonomous Systems at University of Liverpool
- Ø Broad-based Engineering at University of Sheffield

Students will get the opportunity to experience university style lectures and work on activities and group projects with the support of academics and student mentors. Students will stay in halls of residence and will take part in social activities in the evenings.

For dates, cost, requirements, content of each course and the application form, please visit <https://www.etrust.org.uk/residential-insight-into-university>

If you are not quite sure what subject you'd like to study at university and would like to **experience a variety of subjects and universities** this summer, our **virtual Insight into University course** would guarantee this experience - for more information and to apply for the virtual Insight into University course, please visit our website <https://www.etrust.org.uk/insight-into-university> and click [here](#) for the virtual Insight into University flyer.

UNIVERSITY NEWS

Not sure what to study at university?

If you are not sure what subject you'd like to study at university and would like to **experience a variety of subjects and universities** this summer, our **virtual Insight into University course** would guarantee this experience - for more information and to apply for the virtual Insight into University course, please visit our website <https://www.etrust.org.uk/insight-into-university> and click [here](#) for the virtual Insight into University flyer.

CGI & Animation for Film & TV Level 4 Diploma @ West Suffolk College

Recruiting now for September 2022

The UAL L4 CGI & Animation for TV and Film programme is ideal for any potential student wishing to pursue their passion within the modern and highly creative world of VFX, 3D and 2D animated characters, scenes and scenarios.

This course will use mixed teaching methods but the majority of time is spent on project work, software skills, workshops and lectures. The course is assessed through individual and group project work. Employment opportunities include roles at computer animation companies and work with TV and film VFX companies.

Students work on a yearlong real world film producing VFX, 3D Modelling, Motion Capture, Animation and Matte Painting for VFX shots - the best part is you get a film credit and it counts as the first year of a degree with most Universities. [Click here](#) for more information.

Crossing Borders 2022

A series of live webinars from NUA, UEA and ARU will take place in February and March.

February 24 10am - 12pm - Norwich Uni of the Arts

March 14 10am - 12pm - Anglia Ruskin University

March 22 10am - 12pm - University of East Anglia

- <https://www.uea.ac.uk/study/information-for/young-people/webinars/life-at-uea>

Please use the [booking form](#) to secure your place!

Applications to the London Interdisciplinary School (LIS) are still open!

Do you:

- Have a passion for the humanities and the sciences?
- Are still undecided about their university course?

Want a course that prepares them with skills for a changing world of work?

We are not on UCAS, which means applications are direct on the [LIS website](#) and can be another option on top of their UCAS choices. Applicants do not need to submit a personal statement. Instead, we invite all applicants to a Selection Day, regardless of their grade profile. We want to get to know who your students are and their potential to achieve at Higher Education by meeting them!

Our final application deadline in 2022 – Friday 8th April
