

MOCK EXAM CONGRATULATIONS

The Sixth Form Team would like to congratulate all Year 13 students who have sat mock exams this week and last. These exams have been the first formal exams you have taken since your SATS, and although there have definitely been a few anxious moments for some, you have all coped brilliantly on the whole. We have faith in your abilities to sail through your final exams and we hope that you now do too. You can do this!

YEAR 13 YEAR GROUP PHOTOS

Please be aware that Year 13 have their year group photo on Monday morning next week. Year 13 students should register in the sports hall, not in their tutor bases. Year 12 students should register with their tutors as usual, prior to assembly. There will also be the opportunity to have an individual photograph taken as well, if desired.

TED TV OF THE WEEK

Teen Stress from a Teen Perspective - Michaela Horn - A simple experiment to discover what stresses high school students leads to disturbing results that soon become a story on their own. Michaela Horn shares her journey, results, and the alarming turn of events that unfolded. [Listen to Michaela here](#)

CAREERS NEWS

In-house Employer Workshops

Morgan Sindall – Quantity Surveyor 6th April

Ex-student Brad McLaughlin will be talking about his work as a quantity surveyor and wider opportunities within the construction industry and construction.

Stoke-By-Nayland Golf Club – Hospitality 5th May

Ever wondered what it would be like to work in hospitality? Find out from Peter Osborn a senior manager at this luxury golf club and resort about the varied jobs and opportunities they can offer students. We might also see our very own Miss Alston who used to work in this sector and is keen to promote the benefits.

TMJ Interiors – Design/Carpentry/Business -19th May

Another chance to meet with this impressive specialist joinery company based in Bideston who have carried out major refurbishments and builds in London and across the UK . For a flavour of the kinds of projects they work on see here - <https://tmjinteriors.com/projects/>.

Thames Water Barrier - Civil Engineering 10th June

Liv Hov runs a team of engineers, project managers, specialists and contractors. Carrying out complex inspection, Capital Maintenance and upgrade works at the Thames Barrier and other storm surge barriers along the Tidal Thames.

Careers Web Page – For a full list of companies that offer virtual work experience in several different sectors please see the “Careers” page of the school [website](#) and scroll down.

How to arrange work experience in Year 12:

- 1) Look at your Morrisby results and talk to family or friends for ideas. The more research you have carried out beforehand, into different options, the more valuable experience you will get.
- 2) Come to the careers hub and register your interest with Ms Perkins.
- 3) Paperwork needs to be collected and completed 4 weeks prior to the work experience taking place.
- 4) Please consider transport to and from the company you want to apply to.
- 5) Students are allowed up to 2 x 5 days during term time with up to two employers.
- 6) Please consider virtual work experience as well as face to face by signing up free of charge to Speakers for Schools virtual work experience and other online providers (see careers website for a list of other providers)
- 7) Ms Perkins needs to be made aware of any work experience (other than Saturday jobs) you arrange directly with employers in order for her to keep a record. Paperwork is still required for this.

Surgery Live - Saturday April 2nd 2022.

This interactive full day virtual course gives students an insight into the life of a surgeon and the career path to get there. Attendees will also learn how to suture, having received all the necessary equipment that a real surgeon would use, delivered via post prior to the course. We round off the session with patient cases and virtual operations in a simulated operating theatre. Certificates of attendance will be sent out following the session. The cost for the full day is £90 per student (including suture kit). We offer bursaries for students as part of our widening access scheme – any students interested in this option can email us at info@doctorslive.co.uk for information on how to apply. The deadline for registration is **Sunday 27th March 2022.**

More information about the day and how to enrol can be found using the link below, please note places are offered on first come, first serve basis: <https://doctorslive.co.uk/surgerylive/>

International Law Firm, - Y12 Work Experience

[Bryan Cave Leighton Paisner](#) (BCLP) are offering work experience to Year 12 students as part of their commitment to improve access to the legal profession. BCLP have devised a schedule that combines both skill development and real-life experiences of how law firms interact with a range of sectors. This programme will be delivered virtually if offices remain shut.

- **Monday 25 July – Friday 29 August 2022** – A week at BCLP's offices gaining a real insight into what lawyers do daily as well as information on the different routes into the profession, several skills sessions to help prepare students for the world of work.
- **Monday 1 August – Friday 5 August 2022** – A week visiting different organisation each day in a variety of sectors. During the week students will learn how law firms interact with their clients and the distinct roles for lawyers in these organisations.

- On completion of the two weeks, students will progress onto BCLP's alumni programme where they will be able to get continued support from BCLP representatives including work shadowing opportunities, mentoring and further skills workshops.

Future Paths: Build the Future YOU want!

Future Paths offer career placements that give you a chance to start building the future you want. South Norfolk & Broadland Councils have a range of placements available this summer to help you gain valuable real work skills. Anyone over 16 can apply - you do not need qualifications to be considered, all you need do is show us your skills and enthusiasm. For more information and an application form, please check the attached postcard or the website [here](#) or email futurepaths@southnorfolkandbroadland.gov.uk before the **30th April 2022**.

NHS Talent Academy

With over 3 million people working in the NHS, health and social care organisations across the UK, there's a lot of support available for individuals interested in joining us. However, navigating your way around such a large workforce can be difficult.

To assist you, the NHS Talent Academy brings together organisations from across health and care, to provide easy access to the wide range of careers and employability services available within the various regions.

Whether you are exploring your future career options, taking your first step into employment or looking to develop and progress within your current role, find out what local support is available for you [here](#). For virtual work experience opportunities available now, check [here](#). All sessions run from 4-5pm – **please speak to Ms Perkins if interested. Application form needs to be completed and submitted by careers.**

Interested in a Career in Health and Care

There are fully funded virtual sessions available to anyone aged studying in Suffolk. On **Monday 11th and Thursday 14th April between 10-12.30** there will be sessions on Nuclear Medicine, NHS Values, Ambulance Service, Midwifery, Learning Disability Nursing and First Aid in the community.

For more information and to sign up for these sessions please email: ambassadors@caredevelopmenteast.co.uk

Taster Flights and Experiences for Aspiring Pilots

The Aviatrix Project is a charity that encourages young people, particularly young women to take a career path in the aviation industry. They have 12 Taster flights available for students in Norfolk this year.

We have the following taster flights and experiences are now open for applications. The aim of the flights are to assist anyone, who might otherwise not have the necessary resources, to experience flying.

- 12 Taster flights with Flying Made Easy at Old Buckenham Airfield
- 12 Taster flights with Take Flight Aviation at Enstone Airfield
- 20 737 Simulator flight with an instructor with FlightPad at The University of West London
- 2 FlightPad memberships for 6 months

They are for aspiring pilots of both genders aged 14 and above with no upper age limit. **Closing date is 12 noon on Monday 18th April 2022.** Winners will be announced in May.

Visit our website for more details and how to apply - <http://www.theaviatrixproject.com/taster-flights-experiences-2022>

British Airways Careers Event

On **Wednesday 30th March from 5:00pm - 6:00pm** we are going to be hosting our first exclusive event with British Airways to showcase the many career opportunities on offer at one of the world's most distinguished airlines. British Airways is the UK's largest international scheduled airline, flying to nearly 600 destinations around the world to millions of passengers.

It's an exciting time to be at British Airways. They're growing their global route network, investing in their fleet, and transforming the experience they offer customers. Provided you're curious, mindful and open to new experiences, you can make a real impact from day one. Whether you aspire to work in their global head office, face to face with their customers at Heathrow Airport, or behind the scenes in the engineering and operations teams, there's an opportunity for you.

Discover where a career with British Airways could take you. Click the link below to register yourself for our upcoming online event. Registration

International Law Firm Undergraduate Bursary Programme - [Apply Now](#)

If you are in Year 13 and hold an offer to study law at a UK university, you could be eligible to apply for Sidley's Undergraduate Bursary programme. As part of our ongoing commitment to increasing diversity at Sidley and in the wider legal profession, our bursary programme will provide financial support to talented law students from less advantaged backgrounds for the duration of their undergraduate study. We hope that our financial support will minimise financial concerns and enable recipients to focus more on their studies and making the most of opportunities available to them during their time at university. The scheme will also guarantee work experience and mentoring opportunities for the 5 successful candidates.

Why you should apply...

- Build connections within a premier international law firm.
- Gain work experience sitting alongside our partners, associates and trainees.
- Receive £3,500 per year for the duration of your legal studies.

To check the eligibility criteria and submit your application, please [click the link](#).

UK University & Apprenticeship Search Virtual Fair

Join us for the Spring UK University & Apprenticeship Search Virtual Fair on **Wednesday 30th March 2022**, taking place from **12:00 to 18:00**.

This event will allow you to explore all your post-18 options in one place, with a huge range of exhibitors. Universities will include Russell Group, red brick, modern and specialist institutions, as well as colleges and apprenticeship providers. You'll be able to explore exhibition stands, ask any questions you have, and chat live with admissions officers, student ambassadors, academics and recruitment teams. At this incredible interactive event you can also view virtual campus tours, online prospectuses, and take part in 10 live webinars. The event is completely free of charge and is for students and parents looking for information about studying in the UK. [Register here](#).

Pearson Business School

At Pearson Business School, we do things differently – we're part of Pearson, a FTSE 100 company, so our students learn business immersed within one.

We work closely with industry - from global giants in the private sector, such as IBM, Pearson, and Moët Hennessy to high-quality SMEs. Our students gain exclusive access to our talent development programme, including guaranteed internships, employer workshops, and our variety of start-ups in residence.

Porch Project – Food Industry Careers Help

Further Horizons is an employment-based programme. It will prepare young people for the working world by exposing them to the many aspects of businesses connected to or associated with the food industry.

It will include CV writing sessions, money management and interview skill sessions with Yorkshire Building Society. We will also have visits to and visits from businesses in the food

industries for the young people to attend. We are hoping to connect with businesses that are looking for workers, so there will be some great opportunities for them to land a job if they impress! We will also hold mock interviews and training courses, such as barista and food hygiene. And much more!

We are based in Hadleigh so a majority of the sessions will be held in our youth centre here, therefore transport will need to be considered separately. Like everything we run, this programme is completely free of charge! If you are interested please contact Laura Bantock on lauren.bantock@porchproject.co.uk

Application deadline is **29th April**, but places are offered on a first come, first serve basis, so be quick if you want to secure a spot!

The 'My Career, My Vision' Competition

We invite students aged 12-18 to submit an image depicting their dream career with an accompanying caption. The image can take any form - a photograph, drawing, graphic design, or anything else - as long as it has been created by the student and clearly depicts the career of their dreams. Creativity is highly encouraged! **The deadline is Friday 8th April** and students can [enter now](#).

Careers and Coffee

Careers & Coffee showcases employers from a variety of sectors and industries to prepare and inspire your young people for the fast-changing world of work. Our upcoming streams can be found live **Wednesdays** at **4.30** on the LEP YouTube Channel [here](#) or on Twitch [here](#).

UNIVERSITY NEWS

Uni Taster Days

Don't forget that you can find out about all the upcoming university events across the country [here](#). In addition to that you can watch a huge number of [on demand subject videos](#). These videos introduce studying a range of different subjects at university. Covering reasons to consider the subject, what to expect when studying it, a guide to future career opportunities and even application tips.

Not sure what to study at university?

If you are not sure what subject you'd like to study at university and would like to experience a variety of subjects and universities this summer, our virtual Insight into University course would guarantee this experience - for more information and to apply for the virtual Insight into University course, please visit our website <https://www.etrust.org.uk/insight-into-university> and click [here](#) for the virtual Insight into University flyer.

Sutton Trust UK Summer Schools - applications closing soon

Are you interested in going to university? Not sure on what subject you want to study? Our UK Summer Schools offer you the chance to experience what university life is like.

From academic taster sessions to social activities, you'll get the chance to meet like-minded young people from across the UK and explore a subject of your choice at a leading UK university.

Who Can Apply?

Students applying to UK Summer Schools must meet the following criteria:

Attend, and have always attended, a state-funded, non fee-paying school/college;

Be in Year 12 (England and Wales), Year 13 (Northern Ireland) or S5 (Scotland) at the start of the programme.

In addition, we are looking for students who:

Have achieved at least five GCSEs at grades 9 – 6 (A*-B), including English and Maths. A minimum of two of these qualifications should be at grades 9 – 7. Or five A or B grades at National 5 including one A. [See more criteria](#)

CGI & Animation for Film & TV Level 4 Diploma @ West Suffolk College

Recruiting now for September 2022

The UAL L4 CGI & Animation for TV and Film programme is ideal for any student wishing to pursue their passion within the highly creative world of VFX, 3D and 2D animated characters. Potential students would be those who have already dabbled in the design and planning of stories and characters and want to take these skills further.

Students work on a yearlong real-world film producing VFX, 3D Modelling, Motion Capture, Animation and Matte Painting for VFX shots - the best part is you get a film credit and it counts as the first year of a degree with most Universities. [Click here](#) for more information.

Applications to the London Interdisciplinary School ([LIS](#)) are still open!

Do you:

- Have a passion for the humanities and the sciences?
- Are still undecided about their university course?

Want a course that prepares them with skills for a changing world of work?

We are not on UCAS, which means applications are direct on the [LIS website](#) and can be another option on top of their UCAS choices. Applicants do not need to submit a personal statement. Instead, we invite all applicants to a Selection Day, regardless of their grade profile. We want to get to know who your students are and their potential to achieve at Higher Education by meeting them!

Our final application deadline in 2022 – Friday 8th April

Are you studying maths or science subjects and considering studying a STEM subject at university?

Did you know that there are accredited virtual and residential summer schools which can help you decide which degree course might be right for you and also enhance your UCAS application? Insight into University summer schools will provide you with an opportunity to interact with university academics, admissions tutors, current undergraduates, and STEM professionals in exclusive live sessions.

[Click to register for webinar here](#)

What is [Virtual Insight into University Experience](#) (for Y12)?

This course is like no other! With the mix of live sessions, recorded lectures and hands-on practical STEM activities and projects set by leading UK universities and global STEM companies, you will have a unique opportunity to access all this amazing content in one place, pick-and-choose subjects that interest you and do as many as you wish at your own pace over the summer:

- Life Sciences from University of Warwick
- Materials Science from University of Cambridge
- Maths from Lancaster University
- Food Science from University of Nottingham
- Chemistry and Drug Design from Kingston University
- Chemical Engineering from UCL
- Forensic Science from Abertay University
- Engineering from University of Sheffield
- Computer Science from University of Liverpool
- And lots more!

Apply today: <https://www.etrust.org.uk/insight-into-university>

Experience University of Southampton Residentials 26th - 28th July and 2nd - 4th August 2022

The University of Southampton are excited to once again offer on campus residential opportunities for eligible Year 12 students. These Experience UoS Residentials are 3-day, 2-night on-campus programmes, giving your students the opportunity to experience studying a subject at university.

Subjects include: Chemistry, Physics, Mechanical Engineering, Geography, Marine Biology, Oceanography, English, Business, Music and Biological Sciences.

Students will learn in an academic environment and work with pupils from other schools and colleges through a timetable of lectures, practical activities and a variety of fun social activities in the evenings. They'll get to meet our enthusiastic team of Student Ambassadors studying the courses they are aspiring to, as well as academics, researchers and alumni. These residentials are free and open to Year 12 students who meet our academic and Widening Participation eligibility criteria (you can access the eligibility criteria through the button below).

Students will be provided with free accommodation and meals for the duration of the residential. The University of Southampton is also able to cover up to £80 of the cost of travel to and from the residential. For more information, including eligibility criteria and to apply, please click the button below. [Register here.](#)
