

## YEAR 12 COMPLETION EXAMS

To make sure that all our students receive the best experience for exams this summer we have had to move the Year 12 Completion exams back to its original time slot at the end of June. We have spread the exams out to give students a less intense window and to avoid clashes with any vocational exams for Y12 students.

**The completion exams will now take place between Monday 13 June and Friday 24 June.** This also allows students further time to prepare.

The full programme and details of when to attend lessons will be shared in a separate message to families and students. There will also be an assembly on Monday to explain to students the rationale for the change and routines for the exams. We are aware that for students on the Geography field work there will be a small number of exams to be taken earlier than 22 June and we will speak to those students individually.

The exam timetable is also available on the [website](#). Please direct any exam queries to [Mr Ryall](#).

## THE RETURN OF SIXTH FORM YOGA CLUB

It's really important to make some time to look after both your body and mind. This is NOT a class in which you will be simply lying down and breathing. It IS a class which will make you relax and laugh and sweat...a bit. Boys are very welcome; even if you can't touch your toes or do the splits, that is NOT important. It will tone you up and help you wind down.

Sessions will take place in the Drama Hall or Sixth Form garden (weather permitting) from 3:20-4:10 every Thursday. Due to social distancing there will be limited spaces. Please email [Mrs Arrow](#) if you plan to attend. It will be first come first served.

## YEAR BOOK AND LEAVERS VIDEO

A message to Y13 from Brandon Howard:

“Just a polite and pushy reminder to have any photos you want for the year 13 yearbook to be submitted [here](#)

And to have any media you want for the leavers video to be submitted [here](#)

Please do note that they are two separate links, and as we are trying to remain organised we would appreciate that the right link be used for the outlined purpose. That being said, could I please only request a maximum of 3 photos of you submitted to the leavers Yearbook dropbox, with your full name.

So far, we have had 15 students submit their photos so let's make sure we get as many people involved in this as possible!

Could I also remind you all about the leavers Yearbook Google form that was shared before Easter, we would appreciate if that were filled in to go with your display in the Yearbook.

Many Thanks”

## GRANTS FOR SUDBURY STUDENTS GOING TO UNIVERSITY OR COLLEGE

We have received notice of grants available from a local charity. The details are as follows:

If your home address is in Sudbury, or if you attended St Gregory C.E.V.C Primary School, Sudbury for a period of at least 2 years, and you will be between the ages of 18-21 on 30th September 22, you are invited to apply for a grant to assist with your studies under the terms of this charity.

Application forms are available for collection from:

Mr A C Mead  
Clerk to the Girling and Upcher Charity  
c/o Steed and Steed Solicitors  
6 Gainsborough Street  
Sudbury  
Suffolk  
CO10 2ET

Closing date for receipt of completed applications is **30th June 22**.

## HIGHER EDUCATION CONVENTION AND EVENING

Last call for Year 12 students for the Higher Education convention and Evening on Tuesday 14<sup>th</sup> June. Please ensure that you get your reply slips back to Miss Byham or Mrs King no later than next Friday (13<sup>th</sup>). These are both unmissable opportunities whatever your intentions beyond Sixth Form.

## HOUSE COMPETITIONS

Here is a reminder of the competitions currently running:

- 1. Read & Retell a Story**  
Read the short story "Travelling by Ferry" and then retell it in a different way. You can retell it as a graphic novel, poem, newspaper article or in a different time period or genre. Entries to Miss Peacock by **Friday 27<sup>th</sup> May**
- 2. History Windrush Competition**  
This is a regional competition. Design a poster or display showing 'Windrush' History. See PowerPoint for more information and ideas. Entries to Mr Gibson by **Wednesday 25<sup>th</sup> May**
- 3. Growth Photo**  
Continuing the theme from British Science Week you need to take a photo which represents Growth. Photos need to be printed out and handed to, or emailed to Miss Peacock. Deadline: **Friday 13<sup>th</sup> May**
- 4. NEW Book of the Term**  
Following the success of the Spring Term we now have a choice of 2 more books for the Summer Term. The competition is for you to read one of these books and then

create - a poster, a review, a poem, something which represents the book.

The two books to choose from are:

Alex Rider Stormbreaker by Anthony Horowitz

You are a Champion by Marcus Rashford (which some of you are reading with your tutor groups at the moment. Entries to Miss Peacock by **Thursday 7<sup>th</sup> July**

## 5. **NEW Jubilee Bunting**

In preparation for our Jubilee celebrations we need you to make bunting. There is a template attached which you can use to show the size but the design is up to you.

Bunting to be handed to your Head of House by **Friday 20<sup>th</sup> May**

Remember all competitions provide evidence towards your ROA's and help you achieve your ribbons.

## **NON-UNIFORM**

**Monday 9<sup>th</sup> May** - pay £1 to wear non-uniform.

This day is a chance for each tutor to buy something from Oxfam to send to a gift of: a chicken, a water pump, shelter & warmth just to name a few. Your tutor will discuss the options with you and as a tutor group you can decide what gift to buy.

Please make sure your clothes are appropriate: no revealing clothing and no offensive language. Jewellery rules still apply as these are for health & safety purposes. If you are unsure, it is best to ask your tutor and check beforehand.

## CAREERS NEWS

### **In-house Employer Workshops**

#### **TMJ Interiors – Design/Carpentry/Business -19th May**

Another chance to meet with this impressive specialist joinery company based in Bildeston who have carried out major refurbishments and builds in London and across the UK . For a flavour of the kinds of projects they work on see here - <https://tmjinteriors.com/projects/>.

#### **Thames Water Barrier - Civil Engineering 10th June**

Liv Hov runs a team of engineers, project managers, specialists and contractors. Carrying out complex inspection, Capital Maintenance and upgrade works at the Thames Barrier and other storm surge barriers along the Tidal Thames.

#### **Heath and Social Fair – 7<sup>th</sup> July in the Main Hall 1.30-3.15pm**

#### **The Armed Forces – Sept 22<sup>nd</sup>**

Andy Mcfarlene will be coming in to speak to students about opportunities in the armed forces. For more information see [Click here](#)

**Careers Web Page** – For a full list of companies that offer virtual work experience in several different sectors please see the “Careers” page of the school [website](#) and scroll down.

### **How to arrange work experience in Year 12:**

1) Look at your Morrisby results and talk to family or friends for ideas. The more research you have carried out beforehand, into different options, the more valuable experience you will get.

- 2) Come to the careers hub and register your interest with Ms Perkins.
- 3) Paperwork needs to be collected and completed 4 weeks prior to the work experience taking place.
- 4) Please consider transport to and from the company you want to apply to.
- 5) Students are allowed up to 2 x 5 days during term time with up to two employers.
- 6) Please consider virtual work experience as well as face to face by signing up free of charge to Speakers for Schools virtual work experience and other online providers (see careers website for a list of other providers)
- 7) Ms Perkins needs to be made aware of any work experience (other than Saturday jobs) you arrange directly with employers in order for her to keep a record. Paperwork is still required for this. **PLEASE NOTE THAT IF A STUDENT'S ATTENDANCE IS BELOW 95% THEY WILL NOT BE GIVEN PERMISSION TO TAKE PART IN WORK EXPERIENCE.**

### **Young Filmmakers Wanted**

The Offshoot Foundation are looking for up to 10 young people aged between 15 – 18 years of age to help us make a 10-minute film about the Market Place in Sudbury, Suffolk which is being commissioned by Suffolk Archives.

The film project is to take place sometime between June to August 2022. It will be up to about 8 days' work in total, but you will not need to attend every session. You will need to be able to get to Sudbury for the workshops, planning, filming, and editing of the film. We need young people to help develop the brief, write the script, produce, film, interview and edit.

We've already had plenty of success stories having helped many young people into further education, university and employment in the film and TV industries, with many of our ex-students also coming back for work experience and paid work with us. Over 30 of our ex-students now work professionally in the Film and Television industry

If you are looking to learn new skills, gain work experience, build a showreel for college, University or to show potential employers then this project is perfect for you.

For further information or to sign up please contact us at [theoffshootfoundation@gmail.com](mailto:theoffshootfoundation@gmail.com)

### **Nat West Early Careers Group**

The CareerSense Exploration Workshop is a free learning resource focused on employability skills and building students' career confidence, designed for students in Year 9/S3 and upwards. The Exploration Workshop is an easy-to-use 1-hour long lesson, where a NatWest employee Ambassador will join in to help students complete a series of tasks using real life examples from the world of work.

By bringing jobs to life, the workshop enables students to recognise the vital transferable skills they can build on.

To sign up for a CareerSense Exploration Workshop please [click here](#).

### **Mental Health Awareness Week Events**

With exam season approaching, you may be feeling a little bit stressed and overwhelmed, or thinking about what you're going to do once you leave school which can sometimes be quite daunting. With this in mind and with Mental Health Awareness Week coming up, we are

really pleased to announce that we will be running an insight session on **Thursday 12th May at 5pm - 6.30pm** via Zoom.

We will be joined by some of the world's top employers including Clifford Chance, Goldman Sachs, Capgemini and PwC to name just a few!

The aim of the event is to encourage conversations, raise awareness and break down the stigma surrounding mental health among young people. We will be joined by some truly inspirational speakers who will have open and honest conversations, in a panel-style discussion about difficulties they may have faced in the workplace. They will share their advice and tips that should help you to navigate some of these issues that we may face at certain points in our lives.

You will also hear from a number of apprentices who were in your position not so long ago, and so they will be able to talk honestly about their experiences transitioning from school life to work life, as well as sharing tips on how they manage their time, deal with pressure and answer any questions you may have directly for them.

We are really excited about this event and hope that this session will provide you with an opportunity to ask people at the top of their game any questions that you may have or may be concerned about taking the next step in your education or career.

If you would like to join, please sign up using the link below.

**Register here:** <https://www.surveymonkey.co.uk/r/world-of-work>

### **InvestIN – The Careers Source**

We are delighted to share our brand-new hub for careers content, tailor-made for ages 12-18. The Careers Source offers a range of highly-relevant guidance and advice from some of our top industry professionals. With dozens of blogs and videos to choose from, there is something for everyone: get advice on how to break into medicine, how to launch an eco-friendly career, experience a day in the life of a fashion designer, and much much more!

The Careers Source is completely free-of-charge.. [Visit the Careers Source](#)

### **Health and Care Academies**

These are fully funded virtual sessions for students studying in Suffolk. The Health and Care Academy we are running between May and July. You can also find more information by following this [link](#)

### **UK Medical Work Experience Week.**

During this week, full of interactive medical work experience, students will:

- Assess, diagnose and treat patients in realistic A&E simulations
- Master medical skills such as: Cannulation, venepuncture, CPR & others
- Get NHS Doctor and medical students teaching with personalised and group feedback
- Get UCAT and BMAT advice and tips from top-scoring medical students
- Undergo a 6-station, 1-to-1 mock interview with personalised feedback
- Spend a week in London with like-minded medicine applicants

24/7 staff supervision, central London accommodation and breakfast and dinner are all included too.

We currently have spaces available on the following summer dates:

- **10th July 2022 (only a few spaces left)**
- **17th July 2022**
- **31st July 2022 (only a few spaces left)**
- **7th August 2022**

You can find out more about this opportunity and book a space by following this [link](#).

### Careeriosity – Marketing Session

For young people aged 13-24. Held at 1 Meadow Lane, Sudbury on **Wednesday 1<sup>st</sup> June** 10am-12pm. Book your place free at [careeriosity.co.uk](http://careeriosity.co.uk)

### Big Bang Digital is back for a third exciting year, 22 to 24 June 2022!

Join us online to inspire you to change the world with STEM and discover amazing possibilities and careers you could become part of.

Big Bang Digital 2022 will feature 6 fascinating STEM panels streamed live from [The Big Bang Fair](#) (2 each day), where you get to hear from real scientists and engineers, shining a spotlight on sustainability, health and wellness and technology, plus loads more, ask questions and get inspired.

There will also be a host of exciting, interactive on-demand sessions, available for you to watch whenever suits you.

We look forward to seeing you in June! [Find out more and register for FREE](#)

### Apprenticeships – New Anglia - [Apprenticeship Vacancies](#)

Apprenticeship	Location
<a href="#">Painting &amp; Decorating</a>	Newmarket
<a href="#">Business Administrator</a>	Mildenhall
<a href="#">Construction Groundswoker</a>	Ipswich

### Medical Summer Experiences – 80% full – Apply now!

Applications for medicine-related degrees have rocketed since the onset of the Covid-19 pandemic, but universities often insist on applicants having had meaningful work experience in the field.

We are offering students aged 12-18 exclusive medical experience this summer in world-class hospitals and clinics across London: highly-immersive activities supervised by experienced doctors, dentists, vets, psychologists and more.

[Young Doctor](#)

[Young Vet](#)

[Dentistry](#)

[Psychology](#)

[Forensic Science](#)

## **IGD Virtual Work Experience Week – 23<sup>rd</sup> – 27<sup>th</sup> May**

IGD's work experience takes place over the course of a week. It is comprised of:  
Daily live masterclasses that take place Monday to Friday, 10.30am to 12 midday

An optional project task that is completed during the week

Everyone joins the Monday and Friday morning sessions. You can then choose a masterclass that interests you on Tuesday, Wednesday or Thursday. You can also attend all five masterclasses if you want to!

[Click here](#) for more information and to apply.

## **Careers in Optometry**

Are you interested in a career which offers great pay and benefits right here in their local community? Which offers the chance to work with cutting edge technology?

Come and discover **Optometry** and start seeing things differently. We can offer a free, live, digital, hands-on, careers in optometry workshop to your STEM students where we share some of the amazing opportunities our industry has to offer.

Get involved in this live 40-minute session young people will:

- Hear from optometry students and from newly qualified optometrists
- Discover a day in the life of an optometrist - what do they actually do?
- Discover the exciting benefits and global opportunities
- Experience what eye conditions look & feel like in our hands-on STEM challenge
- Get practical advice on next steps, work experience and sponsorship opportunities
- Hear about local University taster days supported by Specsavers, and how to book

We've had great feedback on our workshops over this past year from teachers and students alike. For more information on these workshops, to find available dates and to book a session, please contact [early.careers@specsavers.com](mailto:early.careers@specsavers.com)

To see an overview of the workshop, please take a look at this [video clip](#). Visit our website [here](#).

## **Ipswich Apprenticeship Roles - INTERVIEWING NOW FOR SEPTEMBER 2022**

We are currently in the process of arranging interviews for our new cohort of apprentices due to commence in September 2022. Please see links below:

[Level 4 Insurance Apprenticeship](#)

[Corporate Technology](#)

## **PWC Flying Start Technology Degree Apprenticeships**

For any students that may be undecided about what to do next after school or college, we'd recommend exploring our new Technology Degree Apprenticeship. Successful applicants will get the chance to start developing their career as a tech specialist straight away as an apprentice at PwC from day one. They'll spend the majority of their time getting to work with world-class clients as part of our highly skilled team in Manchester, building their network and enhancing their skills.

The even better news is, you will spend one week out of every six at Ada College in Manchester studying towards a degree apprenticeship in Digital and Technology Solutions - meaning your career will be off to a Flying Start from day one whilst gaining practical experience to support your studies.

The applications for our September 2022 intake are now open and you can find out more [here](#). Positions will be filled on a rolling basis so we'd recommend that any students interested in applying do so soon to avoid missing out.

If you'd like to meet us in-person or virtually to find out more about the programme, we invite you to join us at one of our upcoming sessions, open to students, parents and carers. [Click here](#) for more info.

### **Jaguar Land Rover Apprenticeships**

On **Monday 16th May** from **5:00pm - 6:00pm** we're hosting our first-ever virtual event with luxury British car manufacturer Jaguar Land Rover.

Having been automotive industry pioneers for more than six decades, today Jaguar Land Rover is the UK's largest investor in automotive research, development and engineering. We'll be hearing all about how the company has become what it is today and their visions for the future with revolutionary new sustainable technologies, particularly in the electric car space.

With a wide variety of school-leaver opportunities in a number of engineering fields, data analytics, supply chain & logistics and finance, could a career at Jaguar Land Rover be for you?

Click this [link](#) to register yourself for the online event.

### **Young Professional Training**

This programme is aimed at young people aged 14-24 whether they are studying, working or looking for a job. This FREE Young Professional training programme allows young people to boost their work skills and develop their confidence. It is open to all young people regardless of where they are living in the UK.

Click here for full details : <https://www.youthemployment.org.uk/young-professional-training/>

### **MOOCs – Massive Open Online Courses**

MOOCs are courses delivered online and accessible to all [for free](#). They typically comprise pre-recorded video lessons, readings, assessments, and discussion forums. They offer a massive variety of content and can give young people an opportunity to explore some content from the career they aspire to.

Most MOOCs are made by universities. Some of the first and most active MOOC makers are [Stanford](#), [MIT](#), and [Harvard](#), others are made by companies, such as [Microsoft](#) or [Google](#) etc. Some MOOCs can be started at any time and others start at regular intervals.

4 main websites that offer access to these free courses can be found here :

- [Coursera](#)
- [FutureLearn](#)
- [OpenLearn](#)
- [Edx](#)

Students can search for courses that interest them and these may be related to a future career aspiration such as medicine or law. These can be really useful to overcome the issues of not being able to access work experience in a chosen profession as they show interest and also initiative. They can be useful to include in personal statements, university interviews as well as giving young people a taste of the content to the university degree or career path they are interested in following.

### **Uptree - It's never too early to start thinking about your career**

But with so many options to choose from, and so many paths to success, it's hard to know where to begin.

That's where Uptree comes in. We're a free professional networking platform designed to help you get started in the world of work. Get work experience, find apprenticeships and other opportunities, and begin your dream career. [Check it out now.](#)

### **My Apprenticeship, My Story – Colchester Institute**

For students considering the Apprenticeship pathway, we recommend that at this time they start researching their options and contacting businesses to register their interest. An ideal opportunity for students to showcase themselves will be at our eagerly awaited Apprenticeship Information Evenings at Colchester Institute. The events offer the opportunity to meet potential employers and register their interest in applying for various sectors. Attendees are encouraged to bring copies of their CV to distribute to businesses, so again, an ideal opportunity to impress employers with students' enthusiasm and resolve.

**Braintree Campus Thursday 19th May (5:00pm - 7:00pm)**

**Colchester Campus Wednesday 25th May (5:00pm - 7:00pm)**

[Book Here](#)

### **International Law Firm, - Y12 Work Experience**

[Bryan Cave Leighton Paisner](#) (BCLP) are offering work experience to Year 12 students as part of their commitment to improve access to the legal profession. BCLP have devised a schedule that combines both skill development and real-life experiences of how law firms interact with a range of sectors. This programme will be delivered virtually if offices remain shut.

- **Monday 25 July – Friday 29 August 2022** – A week at BCLP's offices gaining a real insight into what lawyers do daily as well as information on the different routes into the profession, several skills sessions to help prepare students for the world of work.
- **Monday 1 August – Friday 5 August 2022** – A week visiting different organisation each day in a variety of sectors. During the week students will learn how law firms interact with their clients and the distinct roles for lawyers in these organisations.
- On completion of the two weeks, students will progress onto BCLP's alumni programme where they will be able to get continued support from BCLP

representatives including work shadowing opportunities, mentoring and further skills workshops

### **NHS Talent Academy**

With over 3 million people working in the NHS, health and social care organisations across the UK, there's a lot of support available for individuals interested in joining us. However, navigating your way around such a large workforce can be difficult.

To assist you, the NHS Talent Academy brings together organisations from across health and care, to provide easy access to the wide range of careers and employability services available within the various regions.

Whether you are exploring your future career options, taking your first step into employment or looking to develop and progress within your current role, find out what local support is available for you [here](#). For virtual work experience opportunities available now, check [here](#). All sessions run from 4-5pm – **please speak to Ms Perkins if interested. Application form needs to be completed and submitted by careers.**

### **InvestIn Summer Career Experiences in London**

## UNIVERSITY NEWS

**Uni Taster Days**

Don't forget that you can find out about all the upcoming university events across the country [here](#). In addition to that you can watch a huge number of [on demand subject videos](#). These videos introduce studying a range of different subjects at university. Covering reasons to consider the subject, what to expect when studying it, a guide to future career opportunities and even application tips.

**The Future of Health Globally**

Chris Whitty, Gresham Professor of Physics - **Weds 18 May 6pm-7pm** Museum of London, (near St Paul's/ Barbican tube stations)/ [Online/ Watch later](#)

This lecture looks at the very optimistic picture of trends in health around the world. Childhood deaths and the diseases of young adults are falling rapidly. Scientific advances are transforming the major chronic diseases and cancer. In low, middle and high-income countries, health is improving through to old age. There are some major exceptions, such as dementia, but the extraordinary advances in health over the last decades are set to continue.

**Impatient for the future?**

If you want to discover what it's like to be an Essex student, join us virtually to learn more about studying at Essex in 2022.

Our Experience Essex Online events are the perfect opportunity for you to learn more about doing a degree at Essex. [BSc \(Hons\) in Adult Nursing](#)      [MSc/ PgDip in Adult Nursing](#)

## West Suffolk College Bursaries and Finance

If you are interested in finding out more about bursaries and finance at WSC please email [kosborne@tgschool.net](mailto:kosborne@tgschool.net) so she can arrange a virtual talk from the college in May.

## Interested in Applying to University in Australia?

As borders are reopened and another application cycle starts to blossom, many of you are likely considering whether you'd like to apply to Australian universities. And the likelihood is many will answer with a resounding 'yes'!

As for the rest of you, you might want to know about all the wonders that this great educational destination offers...

You're in luck, because we've rounded up some of the biggest benefits of studying in Australia and dedicated a [whole blog post](#) to the topic! We consider a range of areas that make Australia such an appealing option for higher education, like:

- Educational offerings
- Lifestyle and culture
- Natural landscape
- Professional opportunities

## Medical Summer Camp for Y11-13

Do you aspire to become a doctor? If so, this summer you have [the](#) opportunity to take on the role of a Doctor in a week where your patient communication, decision making, teamwork and problem solving skills will be tested. You will:

### Gain Practical Medical Experience:

- Assess, diagnose and treat patients in A&E simulation settings
- Real practical emergency treatment scenarios
- Master hands-on medical skills - Cannulation, venepuncture, CPR & others
- Patient Simulation teaching in a London university campus

### Spend 1 week with NHS Doctors and Medical Students

- NHS Doctor teaching with personalised and group feedback
- Medical Students available all week for student advice and questions
- Role of a Doctor insight and time for student questions

### Get Full Application Preparation Guidance

- UCAT and BMAT guidance from top-scoring medical students
- 1-to-1 Mock MMI Interview with personalised feedback
- Medical Ethics teaching, personal statements & university selection advice

Find out more information and book a space here: [educationprojects.co.uk/courses/uk-medical-work-experience-course](https://educationprojects.co.uk/courses/uk-medical-work-experience-course) (Help with applications available from the Sixth Form.)

**Apply now to international Law firm Sidley's for bursaries**

If you are in Year 13 and hold an offer to study law at a UK university, you could be eligible to apply for Sidley's Undergraduate Bursary programme. As part of our ongoing commitment to increasing diversity at Sidley and in the wider legal profession, our bursary programme will provide financial support to talented law students from less advantaged backgrounds for the duration of their undergraduate study. We hope that our financial support will minimise financial concerns and enable recipients to focus more on their studies and making the most of opportunities available to them during their time at university. The scheme will also guarantee work experience and mentoring opportunities for the 5 successful candidates. Why you should apply...

- Build connections within a premier international law firm.
- Gain work experience sitting alongside our partners, associates and trainees.
- Receive £3,500 per year for the duration of your legal studies. To check the eligibility criteria and submit your application, please click this [link](#).

**Not sure what to study at university?**

If you are not sure what subject you'd like to study at university and would like to experience a variety of subjects and universities this summer, our virtual Insight into University course would guarantee this experience - for more information and to apply for the virtual Insight into University course, please visit our website <https://www.etrust.org.uk/insight-into-university> and click [here](#) for the virtual Insight into University flyer.

**What is [Virtual Insight into University Experience](#) (for Y12)?**

This course is like no other! With the mix of live sessions, recorded lectures and hands-on practical STEM activities and projects set by leading UK universities and global STEM companies, you will have a unique opportunity to access all this amazing content in one place, pick-and-choose subjects that interest you and do as many as you wish at your own pace over the summer:

- Life Sciences from University of Warwick
- Materials Science from University of Cambridge
- Maths from Lancaster University
- Food Science from University of Nottingham
- Chemistry and Drug Design from Kingston University
- Chemical Engineering from UCL
- Forensic Science from Abertay University
- Engineering from University of Sheffield
- Computer Science from University of Liverpool
- And lots more!

Apply today: <https://www.etrust.org.uk/insight-into-university>

**For students in Yr12: Residential Insight into University Experience**

Our residential courses run over 4 or 5 days where you get a taster of university life and an insight into a specific STEM subject. In summer 2022 (**between 20<sup>th</sup> June – 14<sup>th</sup> August**) these will include:

- Ø Maths at Lancaster University
- Ø Materials Science at University of Cambridge
- Ø Mechanical Engineering at UCL
- Ø Robotics & Autonomous Systems at University of Liverpool
- Ø Broad-based Engineering at University of Sheffield

It's just like studying at university! You will get the opportunity to experience university style lectures and work on activities and group projects with the support of academics and student mentors. Throughout the duration of the course, you will stay in halls of residence and will take part in social activities in the evenings.

For dates, cost, requirements, content of each course and the application form, please visit <https://www.etrust.org.uk/residential-insight-into-university>

**Experience University of Southampton Residentials  
26th - 28th July and 2nd - 4th August 2022**

The University of Southampton are excited to once again offer on campus residential opportunities for eligible Year 12 students. These Experience UoS Residentials are 3-day, 2-night on-campus programmes, giving your students the opportunity to experience studying a subject at university.

Subjects include: Chemistry, Physics, Mechanical Engineering, Geography, Marine Biology, Oceanography, English, Business, Music and Biological Sciences.

Students will learn in an academic environment and work with pupils from other schools and colleges through a timetable of lectures, practical activities and a variety of fun social activities in the evenings. They'll get to meet our enthusiastic team of Student Ambassadors studying the courses they are aspiring to, as well as academics, researchers and alumni.

These residentials are free and open to Year 12 students who meet our academic and Widening Participation eligibility criteria (you can access the eligibility criteria through the button below).

Students will be provided with free accommodation and meals for the duration of the residential. The University of Southampton is also able to cover up to £80 of the cost of travel to and from the residential. For more information, including eligibility criteria and to apply, please click the button below. [Register here](#).

## Speakers for Schools Broadcasts May
