

TGS: JANUARY & FEBRUARY 2021 EXAMS UPDATE Y10-13

Tuesday, 05/01/2021
20:05To Prime Parents of:  EMAIL

Dear families,

This is a short update on January and February 2021 Exams for students in years 10, 11, 12 and 13.

The government published a very short message about an hour ago, saying that the exams for January & February can be delivered, "where schools judge it right to do so". <https://twitter.com/educationgovuk/status/1346522888363511808?s=20>

Although we have prepared students and the building for them to complete exams successfully and as safely as possible, this message has provided us with the reassurance that not sitting the exams this season will not disadvantage your children's overall qualification result.

Therefore we have decided that no exams will be completed by any year groups in January or February.

This applies to all subjects, including maths resits and vocational qualifications for all year groups, including practical exams.

For example, Wednesday's Business and PE exams are the first exams we had planned and they will not take place.

We do not yet have full information about the status of exams for the summer 2021 season, but expect more detail tomorrow (Wednesday) when the Secretary of State for Education is expected to address Parliament. We will update you about summer exams when more information is available.

Again, please be reassured that your child's hard work and achievements will be recognised this year and we will do all we can to support their routes into the next stage of their learning, work or university.

Regards,

Thomas Gainsborough School
