

Year 10 Summer Academic Opportunities

Following 18 months of disruption to students' attendance to school we have been given additional funding to offer your child extra teaching in school, with specialist TGS staff. This is an excellent opportunity to receive small group support, revise tasks from the year or complete practical work. Students can sign up for as many or few sessions as they wish.

If you have any questions, or if having signed up your child's plans then change please email cryall@tgschool.net.

If your child does not attend the day planned we will contact you. Our usual school expectations apply.

Students do not need to wear school uniform. Sessions run from 10AM to 3PM each day. If students arrive by bus then they can wait on site until sessions start. Students sign in at the rooms shown. Lunch is provided for students attending weeks 2 and 3. Students should bring drinks and school equipment with them. They should also take a lateral flow test.

Your copy of sessions available, please keep a note of what your child plans to attend.

	Week 1 (bring lunch)		Week 2 (lunch provided)		Week 3 (lunch provided)	
Mo	19/7	Spanish (311)	26/7	Engineering & Design Technology (004)	2/8	Engineering & Design Technology (004)
