

THOMAS GAINSBOROUGH SCHOOL BEHAVIOUR POLICY

Date of Policy: November 2016

Date of Review: November 2017

Thomas Gainsborough School aims to provide an education of sufficient breadth and balance that every student is able to maximise their potential. Here each student will be able to develop their self confidence in a learning culture based on mutual respect. We want our students to go on to become honest, resilient, happy young people who make a positive contribution to their community.

PRINCIPLES

We believe that all students and staff at Thomas Gainsborough School have the right to be treated with respect and courtesy. They also have the right to work and study in an effective well-ordered learning environment where standards of behaviour and discipline are high and where excellent levels of learning can be achieved.

A well disciplined environment creates effective conditions for learning and promotes high standards for all.

PURPOSES

- To ensure an ethos of high expectations
- To provide clear boundaries support learning and progression.
- To state clearly the standards of behaviour expected and how these will be achieved through positive approaches to managing student behaviour.
- To create a positive approach to discipline that will prepare students for life-long learning and the world of work.
- To support school leaders to ensure correct decisions are made when implementing sanctions or rewards for student behaviour.
- To secure the involvement of parents/carers in students learning and personal development.
- To promote the development of a range of personal qualities and interpersonal skills
- To promote equal opportunities and value individuals regardless of gender, race or disability.

EXPECTATIONS

We expect that every member of the school community will act responsibly, with courtesy and consideration for others at all times. The ethos of the school is created by the way our students present themselves in the local community. With the support of teachers and parents, students will realise how important it is to be seen as sensible and mature young individuals aiming to achieve the best for themselves and the school.

A full list of our expectations of behaviour for learning will be displayed in every room in the school.
(See Appendix A)

This means that everyone should:

- act according to the stated Aims and Values of the school
- always try to understand the point of view of other people
- move sensibly about the school
- always speak politely, calmly and appropriately to everyone
- keep the school environment clean and tidy.

We will not tolerate:

- violent or threatening behaviour
- inappropriate language or swearing
- refusal to follow instructions and defiance
- racism or any other form of prejudice
- dangerous behaviours
- disruption to other people's learning

ENCOURAGING GOOD BEHAVIOUR

Expectations will be clearly explained, regularly discussed and reflected upon in tutor time.

We recognise the importance of praise in developing self-esteem. We will always seek to identify and reward good work and good behaviour. This should be supported by frequent use of verbal praise and positive written comments on pieces of work.

REWARDS

Rewards will be used on a routine, everyday basis for good work, attendance, and consistently good behaviour, encouraging competition between the Houses. These are identified in the Behaviour for Learning document displayed in every room in the school. **(See Appendix B)**

MANAGING CLASSROOM BEHAVIOUR

Behaviour in the classroom is supported by the 'Behaviour for Learning' discipline system **(See Appendix B)**. Students whose behaviour is disturbing the learning of others will be given three opportunities to change their behaviours before being removed from that lesson. The number of warnings a student is given will be recorded and monitored.

If a student's behaviour contravenes our zero tolerance code he/she will be immediately removed from that lesson and placed in Internal Exclusion in the first instance. External exclusion may be used if appropriate following further investigation. **(See Section 'Exclusions')**

DEALING WITH INAPPROPRIATE BEHAVIOUR

All disciplinary actions will be taken calmly. It should always be the teacher's intention to minimise conflict and maximise co-operation. All actions should be seen to be fair to the individuals involved. It is vital to consider the needs of the group. Reprimands and sanctions should be appropriate to the situation and clear reasons for an action taken should be given.

Sanctions are designed to discourage poor behaviour and support positive attitudes. They do not replace the need for excellent lessons that engage students in their learning.

AGGRESSION, INTIMIDATION AND VIOLENCE

Aggressive, intimidating or violent behaviour is unacceptable and will not be tolerated at Thomas Gainsborough School. An incident does not need to result in physical harm for it to instigate serious sanctions. Each incident will be investigated and where necessary the perpetrator(s) will be punished and counselled.

Where the incident is minor a student could result in exclusion in the Isolation Room.

Where there is violence, or where there is an attack by a student on another, exclusion will be used. The length of exclusion will vary according to the severity of the incident: second and/or subsequent offences will attract a longer period of exclusion. Persistent offenders will face permanent exclusion. In extreme cases the student may face permanent exclusion for a first offence.

Verbal, physical threats or intimidation against staff will be investigated and will result in exclusion. Depending on the severity of the situation verbal, physical threats or intimidation against staff may result in permanent exclusion.

Physical violence towards staff will result in permanent exclusion

The school retains the right to report incidents to the Police.

WEAPONS AND DANGEROUS ITEMS

Students are not allowed to bring guns, knives, laser pens, other weapons and dangerous items to school. Students who do so will be excluded for a fixed period depending on the nature of the offence. Very serious offences will result in permanent exclusion.

The Police will normally be informed in all cases where a dangerous weapon is brought onto the school site.

THEFT

Theft may result in exclusion if the offence is considered severe. The length of the exclusion will vary according to the severity of the incident: second and/or subsequent offences will attract a longer period of exclusion. Persistent offenders and very serious incidents will face permanent exclusion. In addition, the cost of those items that have been stolen will be recovered from the student involved. The Police will normally be informed in all cases where a theft has occurred.

ILLEGAL SUBSTANCES, ALCOHOL, SOLVENT ABUSE, USE OF E-CIGARETTES AND SMOKING

(See Thomas Gainsborough School's Drug Incident Policy.)

SETTING OFF THE FIRE ALARM

Setting off the fire alarm or damaging fire protection equipment is a criminal offence that puts the health and safety of students and staff at risk. Any student who intentionally sets off the fire alarm will be excluded from school for one day. However, second and/or subsequent offences will attract a longer period of exclusion. In the case of persistent offenders permanent exclusion will be considered.

SWEARING

Swearing is regarded as verbal abuse and is unacceptable.

The following sanctions apply:

- Swearing overheard in conversation with another student: Warning 1 in accordance with Behaviour for Learning document (**Appendix B**).
- Using extremely offensive language in conversation may result in a zero tolerance removal from lessons
- Swearing at a member of staff will result in an internal exclusion. Second and/or subsequent offences will result in external exclusion. Persistent offenders will face permanent exclusion.

DAMAGE TO THE SCHOOL FABRIC OR FURNITURE

If the damage is accidental, there will be no charge. If the damage is the result of silly behaviour parents/carers will be informed and the cost of repair/replacement will be shared between those involved. Deliberate or malicious damage will result in the full cost of replacement or repair and, depending on the incident, further sanctions including exclusion may result. Serious offences may result in permanent exclusion.

BEHAVIOUR ON TRIPS OR HOME SCHOOL TRANSPORT

Students on College trips and visits, and on the daily home-College buses, are governed by the school's behaviour policy. It is expected that students behave well on trips and visits and on the daily buses. Poor behaviour on buses can be extremely dangerous and is completely unacceptable. Likewise rudeness to drivers and other adults will not be tolerated and may result in exclusion. Students who misbehave on the daily buses may be reported to Suffolk County Council who are able to ban them from further travel on the buses concerned. Students on trips could be sent home if their behaviour risks the health and safety of others.

MOBILE PHONES AND OTHER ELECTRICAL DEVICES

Students who choose to bring mobile phones or other electronic devices into school will be responsible for their safekeeping: the school will not be responsible should they go missing or be stolen. Students should not have their mobile phones or other electronic devices switched on during lesson times. Students using their mobile phones or other electronic devices inappropriately during lesson time will have their mobile phones or other electronic devices confiscated for the day and are placed in internal exclusion

Incidents of bullying using mobile phones or other electronic devices will be dealt with according to the Thomas Gainsborough School Anti Bullying Policy.

CHEWING GUM

Chewing gum is not permitted in school. Students' chewing gum will be told to put the gum in a bin and a note will be written in the student's planner.

TRUANCY

(See Attendance Policy)

DEFIANCE

Defiance of staff will not be tolerated and will lead to exclusion from the school. Continued defiance may result in a longer period of exclusion. In extreme cases, such as defiance of the Head teacher, students could face permanent exclusion.

DRESS CODE/ UNIFORM

Group Tutors are expected to check at each registration period that students fulfil the dress code and take appropriate action. All staff should reinforce the dress code. Contact with home by letter/telephone will be made if a problem persists. The Learning Mentors will do this initially. Parents are expected to write a note for the Tutor if they have sent a student to school, wearing clothing that infringes the Dress Code. Learning Mentors will make a note in the Planner for short-term problems other than trainers. Plimsolls are provided unless there is a genuine medical problem.

(See Appendix C)

BEHAVIOUR SUPPORT SYSTEM

Members of staff in the Student Support Team will be timetabled to spend lessons supervising students who have been sent to the Isolation Room when internally excluded. This is a serious matter and can only be sanctioned by SLT or when a student has exhibited a 'zero tolerance behaviour' as part of the Behaviour for Learning discipline system.

The Student Support Team secures the involvement of parents and carers. During an internal exclusion parents/ carers are notified by telephone and an internal exclusion letter. During this time the student support team will use a variety of strategies to ensure that barriers to learning are removed and that students do not continue to breach the schools expectations.

These strategies will include:

- Restorative justice
- Mentoring
- Mediation
- Referrals to external agencies

PERSISTENT INAPPROPRIATE BEHAVIOUR

Students who repeatedly fail to follow our Behaviour for Learning will be placed on a Pastoral Support Programme. This will have been agreed with a student's parent and will result in a meeting every two weeks to review progress. This programme can run for sixteen weeks if a student does not make significant progress then the Head Teacher could decide to exclude permanently.

EXCLUSIONS

The Head teacher or the person deputising has the power to decide to exclude a student.

Exclusions can be:

- Internal exclusions - whereby students remain in school and are provided with the work but are isolated from the rest of the student body in the Isolation room.
- Fixed term exclusions - where the student is normally excluded for between 1 and 5 days
- Permanent exclusions. Following a fixed term exclusion, a student may be required to be isolated internally, depending on the nature of the incident.

All serious breaches of school policy should be investigated thoroughly under the leadership of the Deputy Head teacher, Student Support. Witness statements should always be taken including a statement from the alleged perpetrator. The Deputy Head teacher, Student Support will then make a decision based on the evidence available what action should be taken, making recommendations to the Head teacher. The Governing body accepts that senior leaders will make such decisions based on the principle of a balance of probability when conclusive proof is not available.

Where a student is given a fixed term exclusion of six school days or longer, the school is obliged to provide suitable full time education. A parent/guardian is always contacted by telephone in the first instance. A formal letter follows (**see Appendix D**) with a copy to the Chair of Governors. The letter and form are also recorded on the LEA's on-line database.

A written record of the actions taken must be kept together with copies of written records made by other members of staff, including any interview with the student concerned. A report on the number, type and nature of exclusions is given to the Governing Body at their meetings, every half term. Following fixed-term exclusion, the student and parent/guardian will meet with the Assistant Head teacher. The exclusion/reintegration form (**see Appendix E**) must be completed and the student must be placed on report for a minimum of 2 weeks and a PSP may be opened.

In the case of a permanent exclusion the school will send work home for the student to complete. From the sixth day the Local Authority is responsible for ensuring that full time education is provided.

Guidance on the use of Permanent Exclusion – Specific breaches of policy

Only the Head teacher can decide to permanently exclude a student. A decision can be taken only:-

- in response to serious breaches of the school's discipline (Behaviour , Anti-Bullying or Drug) policies
- If allowing the student to remain in school would seriously harm the education or welfare of the pupil or others in the school.

There may be occasions when in the judgment of the Head teacher it is appropriate to exclude a student permanently, for a single one-off break of the policy. These will include:

- serious actual or threatened violence against another student or member of staff
- sexual abuse or assault
- supplying an illegal drug (for payment or not), or any other substance knowing it is to be misused
- carrying an offensive weapon.

Irrevocable Breakdown in the school/student relationship

In claiming this has occurred the Head teacher is stating that, in their opinion, allowing the student to remain in school would seriously harm the education or welfare of the student or others in the school and that the student is behaving in open defiance of the school's behaviour policy.

In most cases, before permanently excluding a pupil, a range of alternative strategies such as those included in paragraph 9 of the 'Improving Behaviour and Attendance' booklet issued by the Department for Children, Schools and Families should have been tried, and normally, governors will expect that all other practical interventions have been exhausted prior to a student being excluded, and in all cases that all relevant legislation and guidance has been given due regard.

Governors will also require, in each case, the Head teacher to support the decision to exclude a student with:

- Relevant documentary and witness evidence, regarding the breach or breaches of policy that lead to exclusion. All written witness statements must be attributed, signed and dated.
- A clear record of interventions and strategies (including a reviewed Pastoral Support Plan) that failed prior to the exclusion – and where no interventions have been employed, clear evidence of why exclusion is necessary.
- A clear indication that current guidance and legislation has been complied with.
