## Tom Crowned TGS Book Mastermind Champion 2015

Year 8 student, Tom Hanmer, won the TGS Book Mastermind final. Tom will now represent our school in the Western Area final next month.

Tom was superb and scored a perfect 20 out of 20 in the book round answering questions on *The Hunger Games* by Suzanne Collins and 4 out of 5 in the general knowledge round.

Year 7 student, Katherine Chapman, was a worthy runner-up, posting a very credible score of 18 in the book round on her chosen book *Driftwood* by Cathy Cassidy and 3 in the general knowledge

round. She is our reserve finalist.

All contestants performed really well under the spotlights in the theatre and are to be congratulated.

We wish Tom well in the Western Area final where he will answer questions on his chosen book *Catching Fire* by Suzanne Collins.

## Cambridge University Visit

Ten students in Year 10, including Rebecca Bailey, visited St. Catharine's College in the prestigious University of Cambridge.

'The purpose of the trip was for us to feel motivated to reach our full potential.'

Accompanied by Mr Alexander, we had an educational and inspiring presentation from Chris Page, a Cambridge University English Literature graduate. Chris explained how Cambridge University works.
