

Provider Access Policy

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 8-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact: Katy Osborne – Careers

Manager

Telephone: 01787 375232

Email: kosborne@tgschool.net

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers.

However, some these events may be cancelled or postponed due to on-going situation with Covid 19.

All events will be risk assessed.

Premises and facilities

The school will make the Assembly Hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available audio visual and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Head of Careers or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Hub. The Careers Hub has an open door policy; we are open to all students by appointment during lessons, or at lunch and break times. The employer workshops take place at 1pm.
