

# All about MyTutor

## What is My Tutor?

My Tutor is a Government funded scheme to support learning following the disruption caused by Covid lockdowns. With regular attendance, My Tutor lessons can help pupils gain confidence in their subject and improve by 1 whole grade after just 10 weeks.

## Who are the Tutors?

The tutors are studying at top UK universities, they are talented and bright, and have recently sat their GCSEs and A Levels, so they understand how stressful exams can be. They can explain tricky concepts in a way teens understand - and are fantastic role models.

In the first lesson they will introduce themselves to your child and find out how they like to learn and any specific topics they find difficult, they are then able to tailor lessons to the your child's way of learning.

## Safety First!

- All tutors are interviewed and have a clean enhanced DBS certificate, with the barred list checked.
- All communication takes place on the platform and no personal details are shared.
- All lessons are recorded, and you can watch them back for up to 3 months.

## What do I need to get started?
