

Dear families,

Year 8 Trip to Culmington Manor, Shropshire

Monday 27 to Wednesday 29 May 2024

We are planning a three day, two night residential visit for Year 8 students in the summer term to Culmington Manor, Shropshire. This is a fantastic opportunity for our students to experience a wide range of outdoor activities, to enhance their social and personal development, whilst having fun and learning new skills. Students will stay in dormitory style accommodation and this visit includes 9x 1.5 hour activity sessions.

The cost of the trip is £360 and will include travel, all meals, activities, accommodation and insurance. The plan is to travel by coach, leaving Monday late morning and returning late Wednesday afternoon. These dates fall within our half term break, so no lesson time will be missed.

In order to confirm your child's place on this trip, please submit the parental consent form: <https://forms.gle/4FP3SEmDDqrie6v49> by Friday 10th November along with a £50 deposit.

For ease of payment we now have an online payment service – 'School Gateway', which enables you to make payments via the School Gateway app or website. This should make it easier for parents to pay at any time and reduce the amount of cash being carried by students on the school premises.

Travel details, payment plan, an itinerary and kit list will be shared at an information evening later in the Autumn term.

This is an educational visit and the school expects students to behave in a responsible manner at all times and accept staff instructions without question. We ask that you re-enforce the requirement for exemplary behaviour before your son/daughter takes part in this visit.

If you would like to discuss finances or require any further details please do not hesitate to contact me by telephone or email at jhilson@tgschool.net.

Yours sincerely

Miss Jo Hilson

Assistant Headteacher
